CAREER EXPERIENCE

Project Manager – EB Designs – www.ebdesignsgroup.com

Oct 2021 – Present

- Lead the end-to-end delivery of construction and fit-out projects for a large multinational group, building retail and leisure units from concept and design through procurement, construction and handover across the UK and Ireland.
- Latest project being a mixed use 235,000 sq ft building where I am managing the delivery of both Cat A and Cat B units for multiple clients within the same development.
- Delivered 12+ store fit outs since 2022, averaging 40,000 sq ft, consistently on time and within budget.
- Coordinating multiple contractor teams on every project alongside suppliers, designers and consultants, maintaining programme certainty and strict cost controls.
- Own project budgets, procurement and progress reporting, controlling cost and cashflow against agreed targets.
- Lead project planning, risk management to uphold high standards of health & safety and quality across all sites.
- Managing inspections and snagging through to completion.
- Act as primary client contact, building strong relationships and ensuring deliverables align with business goals and expectations.

EARLIER EXPERIENCE

Lead Driver – Mongoose Logistics

2020 – 2021

- Same day courier work for a small logistics firm; bid for and completed jobs nationwide, using initiative to navigate varied delivery sites from construction sites to landmark venues.

Hospitality & Customer Facing Roles

2016 – 2020

- Bar and food & beverage roles (The Load of Hay; Kettering Park Hotel) and client support (Scott Brown Olney Ltd) – delivering high standard service in fast paced environments and supporting staff during large events and conferences.

EDUCATION

BSc (Hons) Economics – 2:1

Brunel University London

Sept 2017 – June 2021

Northampton School for Boys

A-Levels: Mathematics (B), Economics (C), History (C) · GCSEs: 8 grades A*–B, including Mathematics A* and English Language B.
